

STUDENT SET-UP CHECKLIST

FOR ONLINE LESSONS

Device

You need a device to stream online lessons. You can use a desktop computer, laptop, or tablet. Please be sure that your device is charged or plugged in during your online lesson.

High-Speed Internet

Your internet speed should be at 5mbps upload and download speed. If you're not sure what your internet speed is currently you can check by going to www.speedtest.net.

Video Calling Software

Please download calling software (Skype or Zoom) to your device for online lessons. Let me know what your username is prior to the first lesson so I can add you as a contact.

Instrument

You obviously need your instrument during online lessons. Make sure that your instrument is ready and in tune for your first lesson.

Stool or Tablet Stand

Please find a stool or desk to place your device. The device should be positioned so I can clearly see you and the instrument. If using a tablet use a tablet stand. [Click here](#) to view a few recommended stands and tablet holders.

Music Materials

I'll let you know which exact method books and materials you'll need for your lessons. Be sure to have these ready to go before your lesson time begins so we can get started right away.
